Report of Principal and School Improvement Council

The mission of Myrtle Beach Primary School is to nurture and teach all children to become responsible lifelong learners. Our specific challenge is to meet the developmental needs of young children by addressing their social/emotional growth, improving academic programs, and enhancing the school environment. We seek the involvement of our families and community in promoting these goals. Our academic program emphasizes learning to read and understanding beginning numeracy. All students are encouraged to follow the school motto – Respect MBP (Myself, Building & Bus, and all People). Our students participate in district diagnostic testing using the PALS assessment, the DIBELS assessment, and the Developmental Reading Assessment. First grade students also participate in the district writing assessment and MAP. An integral part of our program is the participation of paraprofessionals and professionals in staff development throughout the school year. The PTO is committed to assisting the staff in promoting a quality education to our students. Three Family Nights were held this year and fund raising efforts paid for a variety of school activities. Volunteers worked in the school as Reading Friends, tutors, and teacher/office assistants. Finally, 100% of our parents signed Parent-Student-Teacher Compacts, attended parent conferences, and worked with teachers to formulate Personalized Learning Plans for our children. We look forward to the challenges of the 2009-10 school year and invite you to visit MBPS and become part of our "Primary Sailor Family." June Moorhead, Principal Amy McKeaige; School Improvement Council Chair 2008-09
